President's Notes

I resolve...

Traditionally, New Year's resolutions are made in December to start on January 1st, and we see how long we can go in the new year without breaking them. The goal may be to eat better, to exercise more, or to be more responsible with our money. Very much in the same concept, the Board comes up with goals for each year, but these goals run with the church's fiscal year and the term of the current Board, beginning on July 1st and running through June 30th. We also set our church budget for that period, and try to be as responsible with the church budget as possible.

During my first term as President, we didn't have a Board retreat to make goals for the year, but I saw my own goals as President and chair of the Board to be twofold: to have a smooth transition bringing in our new settled Minister, and for the Congregation to become an official Welcoming Congregation.

For this year, we did have a Board retreat for the purpose of setting goals for the year, which was a good thing, since both of my goals from the previous year had been accomplished, I didn't feel like I had a good direction for my second term. The goals set by the Board for 2008-09 were threefold and primarily focused on growth issues.

- Achieve membership of at least 100 by the end of the fiscal year
- Update the Strategic Long Range Plan (now becoming out-of-date)
- Increase income from pledge drive by 15%.

As a Board, we recognize that the Congregation is growing, and that we are starting to outgrow our space in its current configuration. How can we be ready for this growth? We identified 4 focuses to help achieve our first goal:

- Increase readiness for newcomers;
- Develop a plan to address space limitations of our current facility;
- Expand Children's RE options to address age-specific needs; and
- Make Adult and Child RE a priority for the entire Congregation.

Many of these efforts are already underway or accomplished. The Membership Committee has already created and now updated the materials that are given to new visitors, and in December, we added an additional age-group class to RE which has been very successful and relieves teachers from having such a wide age range to accommodate.

Reflections

. . . of Rev Ann Marie Alderman

Another year, another January...

Maybe it is just another year, rolling through as every year does with all the usual ingredients that every year brings, like babies being born and children growing up, and all the rest of us getting older. Life keeps marching on. Memories keep piling up and playing out over and over. Familiar faces, familiar stories, age-old themes on every stage...no matter where we turn, the human drama keeps repeating and repeating.

Or, maybe, just maybe... this year will be the turning point, the sea change, the culmination of things hoped for... finally arriving...a world at peace, evil and greed abated, harmony and cooperation and ease... long wished for and worked for ...appearing..... our eyes wide open to the wonder of it all, tears streaming down our faces, no longer in waiting, witnesses to the future we had longed for as it comes to be.

Perhaps, this year will bring neither of those extremes, but rather the lesson we probably most we need to learn and that is to live more fully in the precious presence of each moment, neither pulled too hard by the past, or jerked too rapidly into the future. Fully in the now, at peace and grateful for what is, all that is and ever will be in each moment...

May you know a New Year full of thousands and thousands of precious moments!

— Ann Marie

FIRST BORN FOOD DISTRIBUTION

Please join us at First Born Holy Church on Saturday, January 24th, to assist with the food distribution. The distribution begins at 8:30am until 12:00pm. This is the "Diabetic" distribution. We distribute food packages, help with administrative work, pack food boxes and carry food boxes to cars. Wear comfortable clothes and shoes.

If you can provide a ride for other UUCG members please let me know. If you need directions, please contact me at 252-916-5069 or email toniebritt@clis.com.

Thank you for your help.

FIRST BORN COLLECTIONS

UUCG collects plastic grocery bags for First Born. There is a large plastic, blue container in the library for the bags. I deliver the bags to First Born each month. The bags must be clean, dry and odor free. Please do not bring plastic bags with RED letters. If you have food items, **non-perishable**, you can leave them in the library as well. I will deliver the food to First Born when I deliver the bags. If you have any questions concerning this Social Action project, please contact me at 252-916-5069 or email toniebritt@clis.com.

Thank you for your contributions.

PREZ NOTES (continued from page 1)

The big issue left to be resolved to accommodate growth is the limited worship space. Soon, we'll be having a survey of the Congregation to collect information on this topic. Are there ways that our space could be used to greater advantage through rearrangement or should we consider having two services? If we have two services, would they both be on Sunday mornings or possibly at other times? What times would work better for people? Should the services be identical, or should each have a unique character to satisfy variations in how we like to worship? When would we hold RE?

Our second goal of updating the Strategic Long Range plan is also underway, with most of the committee already having agreed to serve. We are very fortunate to have an extremely good existing Long Range Plan which can still serve us for several years to come, but it needs to be updated and extended to meet our current situations.

The third goal of increased income will hopefully come largely from growth in membership, but also through an increased sense of ownership and value of investment in our existing membership.

But in this period of forming our personal resolutions for the New Year, be thinking of how you may be able to become more involved. How can your time, talents, and yes, your financial contributions as well, help us to achieve our goals? And what about goals for future years? What types of activities do you see us doing as a Congregation? What type of facility should we be looking to purchase or build when we get to that point? These are the kind of things that the Strategic Long Range Planning Committee is going to be looking for.

Children's RE

Children's RE introduced a new class in December and we have plans to add a nursery age class in January. Our progress is possible only because of the commitment of our volunteers.

The class we are adding in January will be lead by Victoria Brown and it is for children 2 to 4 years old. The curriculum is called *Friendship Finders* and the children will hear stories, sing songs and do simple crafts, all with UU themes.

The Primary Class for children in kindergarten through grade 4 is being led by Kim Smith. They are working on a curriculum called *Timeless Themes*. The children listen to Bible Stories and discuss the historical and cultural implications of these stories in our society. They do crafts that help reinforce the lessons.

The Tween Class for children in grades 5 through 8 is being led by Rain Parker and Toni Britt and the curriculum they are using is called *Toolbox of Faith*. The children are discovering which qualities of our UU faith help them in living their lives and in building their own faith.

The Teens, grades 9 through 12, will continue to meet after the service. Rich Elkins and Jennifer Barr are leading the teens and the curriculum is *Paradigms Lost and Regained*, which focuses on building sacred life skills for today's society. It encourages teens to expand their intellectual horizons and build sound minds.

The teens are planning a lock-in at the church for New Year's Eve. They will be bringing in 2009 with games, movies, refreshments and lots of camaraderie. The regular Teen night in January will be cancelled. A few of the teens are planning to attend another UU Con in Charlotte February 6-8th.

Worship Committee

The worship committee met on December 8th. We discussed ways to make the Sunday morning worship service a little more formally structured as a religious service. Announcements will continue to be written in the bulletin but starting in January we plan to have all oral announcements read by the minister or lay leader rather than by a variety of speakers. These will be made at the end of the service. If you wish to have an announcement made orally, please send an email note to Rev. Ann Marie or give it to her in person 10 minutes before the service.

We hope this change will make the services run more smoothly. Another item we discussed in our committee and also at the Board meeting was an upcoming survey to address our continued growth needs. This survey will be sent out later in the spring. Finally, we do want to invite people to consider volunteering to be a speaker for the Sunday services. Only three services per month are given by our minister and we have no budget to pay outside speakers. Contact Bev Harju or Ann Marie Alderman. Our next meeting will be on January 12, Monday at 5 pm. The committee voted to meet earlier.
